MCKENZIE COLLEGE

We prepare students to enter a variety of fields in Art and Design, to begin the career of their dreams and to be remarkable.

McKenzie College is a premier Private College that offers industry-relevant training in a variety of certificate and diploma programs in the areas of Art, Design, IT and English for Business and Academic purposes. Since opening its doors in 1988, McKenzie College has evolved significantly. Based in the heart of Atlantic Canada it is known for providing young minds the inspiration and technical skills necessary to become great artists and designers. In more recent years, McKenzie College has expanded it’s focus to introduce programs not only in art and design, but also in the IT industry, English language training and Junior’s Programs. The programs are unique, because they offer opportunities you will not find anywhere else, including optional pathway programs and the prospect of continuing your education abroad. • www.mckenzie.edu
